## **The Boy Without A Belly Button** Jack Sorensen

Jack has a secret. Where other kids have a belly button, he has a scar. The day he was born, Jack needed surgery to save his life, and he had two more operations while he was still a baby.

Jack's smart and athletic, and he can do almost everything other kids can do. He's always felt embarrassed about his lack of a belly button though. When he goes swimming, he wears a swim-shirt, and he never, ever, lets other kids see his scar.

When his teacher announces the class will make special "me boxes" containing important personal things, Jack decides to share the surgical staples that kept his stomach closed after his operations. Once he does, everyone will know he doesn't have a belly button. Will they think he's weird? Will they laugh? And will Jack be brave enough to finally tell everyone his secret?

A true story, *The Boy Without a Belly Button* encourages acceptance of children with physical differences or medical conditions.

### From reader reviews:

#### **Zachary Mason:**

What do you concerning book? It is not important together with you? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question since just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this The Boy Without A Belly Button to read.

#### **Erik Hilyard:**

Nowadays reading books be than want or need but also work as a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one together with theme for entertaining for instance comic or novel. The particular The Boy Without A Belly Button is kind of reserve which is giving the reader capricious experience.

#### **Phillip Chadwick:**

Reading a book being new life style in this calendar year; every people loves to study a book. When you read a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, and also soon. The The Boy Without A Belly Button provide you with new experience in reading a book.

#### **Erik Garcia:**

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Boy Without A Belly Button can make you experience more interested to read.
