Community, youth, nonprofit, education, entrepreneurial, and religious organizations all have exciting ambitions, but they often lack the creative skills to impact people on a deeper level. *Catch the Fire* is a complete guide to using arts and empowerment techniques to bring greater vitality and depth to working with groups of youth or adults. Based on the premise that you don't have to be a professional artist to use the arts in your work, this unique book invites group leaders into the realm of creativity-based facilitation, regardless of previous experience.

Including over one hundred stimulating activities incorporating storytelling, theater, writing, visual arts, music, and movement, this detailed guide uses the Creative Community Model to: Bridge gaps and unite people across generations and cultures Build vibrant, creative learning communities with youth and/or adults Fully engage participants and volunteers Develop social and emotional intelligence Take a deeper, more meaningful approach to learning

Drawing on nearly two decades of experience providing transformative programs to empower youth and adults across North America and around the world, *Catch the Fire* is a powerful and valuable resource and a much-needed reminder that art is for everyone!

Peggy Taylor and **Charlie Murphy** are co-founders of PYE Global: Partners for Youth Empowerment and developers of the Creative Community Model, a process for building creative, heart-centered learning communities with youth and adults from diverse cultures and socio-economic backgrounds. Peggy is co-author of *Chop Wood, Carry Water: A Guide to Finding Spiritual Fulfillment in Everyday Life* which sold over 250,000 copies worldwide.
