Do you suspect or have you discovered your husband may be bisexual? Do you suspect your husband is having an affair? A psychotherapist wrote this self-help book as a resource for those suffering the trauma of finding out your partner might be bisexual or having an affair. The intent is to inform, educate and to help the reader assess a relationship.

Part II of the book includes chapters on the signs of an affair checklist, low self-esteem that causes you to be a victim, the cheaters sex addiction, and traits of narcissism, characteristics of bisexual men, post-traumatic stress disorder as a result of discovery, stages of grief for recovery, survival skills, divorce tips checklist and lessons learned.

On the way to recovery, you will see and understand how your personality and the bisexual personality can cause your partner's secret life to remain hidden. Through education, you will learn to deal with betrayal, deception, confusion and feelings of helplessness. There is light at the end of the tunnel. The author takes you from discovery through the healing process to recovery.
