## Love...And Sleepless Nights (The Love... Series) Nick Spalding

Despite their respective job woes, things are good for Jamie and Laura Newman. After all, they're madly in love, newly married, and having loads of hot sex; what could go wrong? Plenty. When Laura vomits on prospective employers during an important job interview, she discovers that it's not the aftereffects of a hangover, but that she—much to her horror—is pregnant. The couple will need to keep a sense of humor amidst the mood swings, awkward sex, bizarre pregnancy cravings (detergent anyone?), and weight gain that ensue. Add in a terrifying midwife, an overbearing mother-in-law, and the horror of a sober girls' night out, and it's a recipe for disaster—not to mention loads of laughs. And that's before the baby arrives! Now if they can only keep from losing their newborn in the grocery store, they might make it out alive in this laugh-out-loud, raunchy, relatable comedy of everyday life as a new parent.
