Masquerade: Book Two of the Unchained Trilogy Maria McKenzie

Family secrets...why are they hidden, how are they discovered, what do they cost? *Masquerade*, part two of a dramatic and explosive historical fiction trilogy that continues a compelling American family saga of love,deceit, emotional destruction and in the end, forgiveness...

"If, like me, you are a fan of historical fiction -- especially when it's done with a real feel for previous eras -- then you'll love *Masquerade*, the second volume in Maria McKenzie's tale of love and race, politics and passion, in America. With its roots set in 1856,it's a novel that provides a necessary, if hard, history lesson, as well as a personal narrative of secrecy and shame, forgiveness and, ultimately,acceptance." - Robert Masello, author of *The Romanov Cross* and *Robert's Rules of Writing*

"...Great read for anyone who loves historical fiction!" - Julianne Keeler, Amazon Review

"A GREAT page turner with lots of twists that I didn't see coming..."- Jennifer J. Shackleford, Amazon Review

Celebrated actress Lavinia Hargraves performs her most challenging role offstage. Although born in 1872 to Daniel Taylor, a white man and wealthy landowner in southern California, Lavinia's mother, Lori, is a Negro and former slave. Lavinia, who appears white, is desperate to hide her Negro ancestry, as well as pursue her dream of becoming the world's greatest actress.

After eloping with the much older Vernon Hargraves, owner of New York's premier theater company, Lavinia is provided with all she could ever want: a new life as white, stardom on the stage, and an abundant supply of money.

Soon Lavinia's seduction by a young and handsome actor sets in motion a devastating turn of events. Dashing millionaire contractor Andrew Standish comes into Lavinia's life at a time when she needs him most. However, the secret of Lori's existence could demolish her daughter's carefully constructed facade. To what lengths will Andrew go to uncover Lavinia's past?
