Pablo Picasso (1881-1973) is the one towering name in 20th-century art, always displaying an inventive enterprise and innovative bravado that set him apart. The works selected in this richly illustrated Spanish-language entry in the Basic Art series cover Picasso's entire output, from less familiar works to key masterpieces such as Guernica, from the Blue and Rose Periods early in his career through his cubist, classicist, and political phases.
