Friends with benefits was never the plan...

Melanie Jacobs is in trouble. With three jobs—including running her ranch—and dwindling funds, she's exhausted. Not to mention desperately trying to hide a secret. Unfortunately, her best friend Colton Freeze knows all too well that's something is going on, and he won't give up until he knows *exactly* what he needs to fix.

Then Colton learns the truth—that Melanie's future happiness rests in the fickle hands of fate, and her chances for having a family are shrinking with every passing day. Her only comfort is Colton, but when a heated argument between them turns into an even hotter kiss, the boundaries of their friendship are erased, leaving only a scorching-hot hunger for *more*.

Every kiss—every touch—is a stolen pleasure. But will their new friends-with-sexy-benefits arrangement bring them closer together, or destroy everything they once shared?
