NEW YORK TIMES BESTSELLING AUTHOR

Rain left her old life to find a fresh start. But a wolf shifter mate wasn't exactly what she was expecting...

A new name, a new job, a new life—far from the dangers of her old one.

Then Laurent walked into her restaurant and changed everything.

The second-in-command for the Cherchez Wolf Pack, Laurent didn't expect to find his destiny in a roadside café. But there's no doubt in his mind that waitress-by-day, artist-by-night Rain is his mate. And the urge to be near her, to protect her, to have her, is intoxicating.

An unbelievably hot night leaves them both wanting more. But more with Laurent comes with an introduction to his extended family—of werewolves. Learning that supernatural beings are real is a shock, but becoming one turns out to be the best decision she's made in her new life.

No matter how good things are with Laurent and the pack, Rain can't run from her old life forever. When a threat on the horizon tests the life they're building together, Rain will have to prove that her place is with the Cherchez wolves—no matter who says otherwise.
