Talk To Me: Changing the Narrative on Race, Religion, & Education is a non-fiction memoir on how the power of dialogue can overcome racism, xenophobia, misogyny, and violence. It is the real life story of how ordinary Americans are rising above the forces that seek to drive us apart, and instead finding paths to peace and understanding. Talk To Me gives these powerful stories of struggle from race and faith minorities the platform they deserve, and demonstrates that our differences are not a source of discord and division—they're a source of strength and recognition. Step out of your comfort zone and take the time to Talk To Me.
