Susan Morris-Carter

The Greedy Old Bastards: A Systemic War on Women in the U.S. Susan Morris-Carter

A daring expose of the systemic war on women in the United States. Shows how systems and clubs organized by and for men have crippled the lives of the middle-class, women, children, and the less advantaged in our society - either deliberately or because "That's the way the game is played!" Provides a lesson for all of us, especially women and "enlightened" men, as we try to cast off the old ways of doing business. In a style of American songwriter and humorist Kinky Friedman, the author covers issues seldom put into print with intelligence, humor and wit and candor that is both refreshing and entertaining. She covers a period of significant social and economic change in a unique fashion and shows how the Greedy Old Bastards are able to maintain the status quo and feed their insatiable appetites for power and wealth, even when their practices harm our country, our environment, and our people. Learn what it takes for a woman to maintain her sanity in their corrupt man's world. Topics not to miss are: The military industrial complex, the prison industrial complex, and the plastic surgery industrial complex.
