**The Mystery of the Robot Teachers (The Finch Boys Book 1)** A.H. Finch

From the Publisher:

When eleven-year-old Magnum Finch hears a clicking and humming sound coming from Ms. Steinwich's head, he knows something is wrong. He enlists the help of the new girl, Jenny Sorterberg, to help him figure out why all the teachers at Cramptin Elementary march down the halls after school.

But they discover more than they expected when the janitor catches Magnum sneaking through the school, and soon it takes teamwork from some unexpected friends to make things right at Cramptin.

From the Author:

Hi, I'm Magnum Finch. I decided that since I'm eleven years old I should write my own book. The book started as a story about dragons, and magic, and a kid with a sword of power, but then I got bored with it.

So I decided to write a book about my life as a fifth-grader and the time all the teachers at Cramptin Elementary turned into robots. Looking back, I'm glad I wrote it all down because I don't think anyone would believe it was a true story if I didn't. I hope you enjoy my story about racing karts, robots, an angry janitor, and the beautiful Jenny Sorterberg. It gets a little scary toward the end, but I think you can handle it.

We used a pseudonym on Amazon for all three books — A. H. Finch.

But I wrote this one, Thunk wrote the cricket one, and I'm not sure what Bumbo wrote. Thank you.
