Between Ethics and Politics: New Essays on Gandhi (Ethics, Human Rights and Global Political Thought)

Between Ethics and Politics: New Essays on Gandhi (Ethics, Human Rights and Global Political Thought)

Is it possible to build an authentically democratic system in politics without concrete ethical foundations? Addressing this question in the wake of the contemporary crisis in democracy worldwide, the volume re-evaluates Mohandas Karamchand Gandhi's key thoughts. It foregrounds their relevance to the ongoing struggles that attempt to reconcile the apparently dissimilar orientations of politics and ethics.

Collecting fresh interdisciplinary researches, the book provides insights into Gandhi's complex and occasionally turbulent intellectual and political relationships with influential figures of Indian society and politics, whether critics such as B. R. Ambedkar and friends like Rabindranath Tagore and Jawaharlal Nehru. It also presents an informed political biography of Gandhi, encapsulating the salient details of his long trajectory as a unique mass mobilizer, socio-political activist and ideologue from his days in South Africa to his death in independent India. This book will immensely interest scholars and students of political theory, philosophy, ethics, history, and Gandhian studies.
