**This St Patrick's Day, it takes one buck to put things right...**

**This is a standalone novella with a pinch of holiday luck. If you don't want to have a bucking good time, you better back away quickly!**

Pran Frost loves a good party, especially on St Patrick's. As one of the elite pilots for ELF deliveries, the werestag shifter is looking forward to his time off and finding plenty of fun in Boston in befitting bad boy style. But one meeting with the gorgeously curvy, red-headed Kelly Callahan has him forgetting all about his plans and seeking out the cute bartender instead. Could it be that the sworn bachelor can be swayed by the right kind of woman?

Kelly Callahan is committed to the family business. Working at the family pub, the Callahan's Shamrock, she's prepared for a hard weekend of Irish fun when St Paddy's rolls around. But what she wasn't expecting was the hot pilot... or the danger she could get in when she's cornered in an alleyway. So what's a girl to do - trust the irresistible buck, or ignore her gut and try to handle everything herself?

With her father sworn against any of his daughters dating shifters, can Kelly and Pran find one another or is this one romance that won't have a lucky ending?

*Frost Brothers' Brides* is a series of novellas following a very special set of buck brothers. The nine brothers will each get their stories told during the holidays! **The books can and should be read as standalones and have a guaranteed HEA!**
