**Dangerous Love (Contemporary, Sexy) (The Fitzgerald Family Book 4) E. B. Walters**

**A woman on the verge of falling apart...**

Born to a Las Vegas showgirl, fashion designer Faith Fitzgerald's childhood was not easy, until her father found her and whisked her off to L.A. to join his wealthy family. So doing anything that dishonors his name is not an option. When a close family friend steals her designs and passes them off as his, Faith must find proof of his guilt and salvage her Fall Fashion Week collection. Only one man can help her and keep her slowly unraveling life a secret. The only problem is they have a history of bad blood.

**He who can give her what she needs...**

When former-FBI-agent-turned-security-consultant Kenneth 'Ken' Lambert receives a call from Faith asking for his services, he sees a chance to payback the gorgeous designer for the way she used him then walked out on him. But then he learns that she is being victimized by an unscrupulous man, Ken pushes aside his personal agenda and runs to her rescue.

**Can their temporary arrangement become permanent or will history repeat itself?**

**TEASER:**

"I want to hire you to steal some designs from my competitor's offices," she said.

Ken choked on his drink and started to cough. "What?"

"I want to hire you—"

"Jeez, don't repeat it. I got it the first time." He looked toward the nearest tables to make sure his voice hadn't drawn attention. A few people were looking their way. He got up, undid the knot holding the flaps of the cabana entrance, so the white material fell into place, giving them total privacy. He pinned Faith with a hard gaze as he sat.

"Why would you want me to do something like that?" he asked, not masking his shock.

"Because he stole my designs, and I want proof so I can plan my next move."

The relief that raced through Ken left him light-headed. He gulped his drink, wishing it was something stronger. He glowered at the maddening woman in front of him. Why did she always throw him a curve ball when he least expected it?

"Why didn't you just say so in the first place?"

She shrugged. "I needed to get your attention..."
