In the Garden of Papa Santuzzu: A Novel Tony Ardizzone

In the Garden of Papa Santuzzu is a magical, warm, and wise novel about a close-knit family's immigration from Sicily to America in the early 1900s. Wanting more for their children and grandchildren than a lifetime of servitude in the fields of a tyrannical Sicilian landlord, Papa Santuzzu and his wife, Adriana, push their seven sons and daughters, one by one, to immigrate to La Merica, a land of promise and opportunity. Here is a rich and vibrant novel about the stories families tell each other, stories that make up a deeply personal and a common history.
