Jewish Mothers Never Die: A Novel Natalie David-Weill

The mothers of some of the most illustrious Jewish men in recent history—Albert Einstein, Marcel Proust, Sigmund Freud, Woody Allen, the Marx Brothers—are chatting in heaven. The subject: their respective sons—and their undying love for their mothers. Each one, as before in life, engages in one-upmanship toward the others when speaking about her own renowned offspring, and no opportunity to boast can ever be missed:

“He loves me so much that for my last birthday he bought me a fabulous fur coat.”

“Oh! Mine topped that. He saved money for an entire year and treated me to a fantastic trip to the Caribbean.”

“As for me, imagine, three times a week he actually pays a psychiatrist to talk about me.”

Each woman insists on being the force, the savior, the *raison d'être* of her son's career and success. We follow the intricacies of each woman's marriage and details of her social environment, but more specifically, the relationship with her “unique” child.

Written with a delicate touch, *Jewish Mothers Never Die* reveals in tender, funny, and searing portraits how some women continue to live through their children—even after death. Every reader will have a good chuckle, and all will enjoy this utterly charming and entertaining novel.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
