Women in Leadership: Daily Devotions to Guide Today's Leading Women (One Minute Bible) Bob Briner

The role of leadership is always difficult, especially when leaders insist on upholding Christian ethical standards. These two new volumes in the One Minute Bible series are designed to give strength to those men and women in positions of leadership who recognize that all power comes from the Lord. Based on the leadership principles developed by bestselling Christian author and Emmy Award-winner Bob Briner, these brief yet powerful daily readings offer Scripture passages and expert advice from a godly perspective. These verses lift up the great leaders from biblical times, and apply their leadership techniques to contemporary life situations. By trusting in their God-given gifts, leaning on the wisdom these examples provide, and putting these age-old biblical truths into daily practice, Christians will achieve the excellence God intends for all His children.
