Fed By My Secretary

I am in love with my pregnant secretary but she's married and totally unavailable. One day I spill the beans and tell her of my affection. She rejects me, telling me I'm a pervert. But one day things change.

Feeding My Boss

I have just given birth and I'm producing plenty of sweet delicious nectar. I didn't know until I had an accident one day at work, how much my boss wanted to drink all I could produce.

Maid To Feed

I'm a member of the English upper classes. At twenty three I'm not interested in getting married. But I am interested in some of our female servants, especially the ones who are able to feed me.
