Hilary is so near broke she doesn't know how she'll pay rent this month, never mind eat. Her part-time bookstore gig doesn't cover all her bills. So when she happens across a job opportunity, she can't say no.

Her first concern is that she'll be asked to do things she's uncomfortable with. But her new boss, Brad, assures her she'll always be in control at the parties she works, giving men the ultimate fantasy—the unattainable dream.

Hilary soon finds herself loving her work and caught up in the excitement. The only problem? She wants more from the men than she's willing or able to ask for. So when the first job offer turns into a second, different, offer, Hilary isn't sure what to say.
