Last Call Sean Costello

In the space of a single day, twenty year old Trish West purchases her first car, gets accepted into veterinary college, and finds her rock star father, Jim Gamble, a man who vanished into the streets before she was born and now clings to life in a Toronto intensive care unit. Eager to establish a relationship with Mr. Gamble, Trish heads out from her Northern Ontario home that very day to stand at his bedside. But along the way, she crosses paths with a man who will upend her life and the lives of everyone she cares about. Meet Bobcat, a savage serial killer christened The Dentist by the press, a deranged trophy hunter who sees Trish as the ultimate prize. Last Call is a story of lost innocence, sociopathic obsession and moral redemption that is certain to haunt you long after you've read the last page.
