Mirrors Marianne K. Martin

“*Mirrors* is a very fine novel, well worth your time and treasure.”—*The Bay Area Reporter*“Marianne Martin is a wonderful story teller and a graceful writer.”—Ann Bannon“This is a novel of discovery that reaches into the deeply personal and well beyond. . . . Marianne Martin achieves new heights with this lovingly researched and intelligent novel.”—Katherine V. ForrestThey both have dedication. Passion. Commitment. No wonder Jean and Shayna are best friends. Jean Carson is a teacher, striving to make a difference to her students. Shayna Bradley is an attorney, determined to help lesbian mothers keep their kids. Shayna has her life under control, has things just how she likes it: her own law practice and a girlfriend and, always, her best friend Jean. For Jean, it’s different. There’s always Shayna. There are her students too but there’s also a husband, and he’s anxious for kids. She’s made excuses, but she knows it isn’t fair. She’s short-changing him, and she’s short-changing herself. She must find the strength to leave. And then she must find the courage to face facts: Shayna is more than a friend. It’s a new reality, and one that catches both women unawares. And when the school board learns of Jean’s “situation,” suddenly Jean and Shayna face greater risks to their happiness and their dreams than they ever anticipated. Dedication. Passion. Commitment. They may not be enough.*Mirrors* was shortlisted for a Lambda Literary Award when it was first published in 2001.

From reader reviews:

Brian Roberts:

What do you think about book? It is just for students because they're still students or it for all people in the world, the particular best subject for that? Simply you can be answered for that question above. Every person has diverse personality and hobby for each and every other. Don't to be pressured someone or something that they don't need do that. You must know how great and important the book Mirrors. All type of book is it possible to see on many methods. You can look for the internet methods or other social media.

Alan Sours:

Spent a free time to be fun activity to accomplish! A lot of people spent their spare time with their family, or all their friends. Usually they undertaking activity like watching television, going to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, may be the reserve untitled Mirrors can be fine book to read. May be it may be best activity to you.

Victor Parisi:

Are you kind of active person, only have 10 or even 15 minute in your time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because this all time you only find guide that need more time to be examine. Mirrors can be your answer mainly because it can be read by a person who have those short free time problems.

Johnny Ballance:

With this era which is the greater person or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple solution to have that. What you are related is just spending your time little but quite enough to experience a look at some books. One of several books in the top collection in your reading list is usually Mirrors. This book which can be qualified as The Hungry Slopes can get you closer in becoming precious person. By looking upward and review this e-book you can get many advantages.
