What I knew about Alessandro Moretti: he's the sexiest man I've ever seen, he's the most mysterious, sought-after professor in my university, and he's not the type to fall in love with me, his plainest-looking student.

What I didn't know about Alessandro Moretti: he's a werewolf...and he may just want me, too.

18-year-old Kassia has decided to confess her love for Professor Alessandro Moretti. She knows she's likely to be dumped, but instead the professor offers her...a bet?

Alessandro Moretti has always found Kassia, his extremely shy student, oddly attractive. When she confesses her feelings, he's unable to help himself. For him, it's all a game. After all, Alessandro knows from experience that nothing good can ever happen between a werewolf and a human, especially when one of them is as cynical about love as him.

This boxed set features all four parts of My Werewolf Professor.
