College football's most promising quarterback has a reputation for completing plenty of passes with the women.

This is not a football-heavy story, so if you're not into sports, don't worry! It's light on the sports and heavy on the steam!

Jenna,

It's my final semester, and I'm ready to move on with my life. I've had my head buried in the books these past few years, but I've loved every minute of it.

Everything about going to school has been a great experience – until now.

But, this is my final semester, and I can't believe this meathead is in a class with me. Although, I must admit, he's not too difficult to look at!

You know, it might not be a bad idea to leave college with a flare – maybe take this last semester to explore, and have a little fun for a change. I've worked hard. Maybe it's time to play a little....
