Spliffs (the Jamaican word for joints) is more than just a book about marijuana (cannabis) and getting high. It's a celebratory trip that explores the versatility of cannabis and the profound influence it has had on cultures throughout history. Special sections are devoted to the influence of marijuana on music, movies, media, and literary and comic book culture. Features include profiles of famous users, as well as a primer on the varieties of hash and grass, on how to roll functional and decorative joints, pot paraphernalia, recipes for cooking with herb, and a guide to Amsterdam's most famous coffeeshops. Fully illustrated with full-color photographs and drawings throughout.
