**What happens when you can't see that the man you married is actually the one you love?**

For her whole life Nina Findlay has been in a love triangle with two Italian brothers, Paolo, whom she married, and Luca, with whom she was always in love and who remained her best friend throughout her marriage. Now Nina faces the future alone—estranged from Luca and separated from Paolo, she escapes to the tiny Greek island where she honeymooned twenty-five years earlier. After an accident she finds herself in the hospital telling her life story to an eagerly attentive doctor. As their conversations unfold she comes to understand the twists and turns of her romantic life and the unconscious influence of her parents' marriage on her own.
