'The House of the Seven Gables' by Nathaniel Hawthorne

The House of the Seven Gables is a Gothic novel written beginning in mid-1850 by American author Nathaniel Hawthorne and published in April 1851 by Ticknor and Fields of Boston. The novel follows a New England family and their ancestral home. In the book, Hawthorne explores themes of guilt, retribution, and atonement and colors the tale with suggestions of the supernatural and witchcraft. The novel is set in the mid-19th century, but flashbacks to the history of the house, which was built in the late 17th century, are set in other periods. The house of the title is a gloomy New England mansion, haunted since its construction by fraudulent dealings, accusations of witchcraft, and sudden death.
