The Pythons

Graham Chapman, Michael Palin, John Cleese, Terry Gilliam, Eric Idle, Terry Jones

The Pythons Graham Chapman, Michael Palin, John Cleese, Terry Gilliam, Eric Idle, Terry Jones

For the first time all surviving Pythons have agreed to create the definitive, official, "completely-different-than-anything-done-before" audiobook on the Monty Python's Flying Circus and the 'genius' who created it.

Over thirty years ago a group of five Englishmen and one wayward American rewrote the rules of comedy. Monty Python's Flying Circus, an unheralded half-hour of sketches, hilarities, inanities, and animations first appeared on the BBC late one night in 1969. Its impact on the world has been felt ever since. This audio edition is a complilation of unique never-before-heard interviews with the Python team conducted by Bob McCabe while he researched the Python book, plus clips from the famous Monty Python sketches, including "The Parrot Sketch", "Nudge, Nudge, Wink Wink", "Spam" and the "Ministry of Silly Walks." Narration will be by Bob McCabe with Terry Gilliam and Michael Palin, and featuring, Eric Idle, John Cleese and Terry Jones.

Here is a unique glimpse at arguably the most important comic team of the modern age. Do you want Spam with that?
