The first misconception to clear up is that animals learn, think and comprehend as we do. Well, actually they don't. Most likely because they don't have a spoken language. We need to communicate with them in the way they'll understand, so we can get them to do as we desire. And we need to do so in a loving and protective environment, as we do with babies, so the puppies grow up happy and well-adjusted.

Go into this journey with me and I will show you how you can raise a dog you are proud to call your own: A smart, caring, centered, happy dog!

There is no time to waste, your dogs quality of life depends on it. Let's get started
