LOVE PAIN and RAGE Dorianne Barber

Love Pain and Rage is a story of my life and so many other young women and men lives. The journey for love has been long, painful, hard, and also very pleasant. Even though things got hard for me I never lost sight of my dreams. Poetry is who I am and I am poetry. In this book, you will learn how to love, learn how to believe, learn how to trust or learn how not too. No matter what the obstacles are in life you have to know and believe that God works for the good of only those who are called according to his purpose. Don't allow someone to change you into a person that you yourself doesn't know. Love is never that needing. You yourself have to love yourself first and only then can you love and demand the proper love and respect that you deserve. Remember that women was created by the rib of a man. Not to be smacked down, tarnished, disrespected or handled without care but to be loved and worshiped. That is what this book is all about. Love Pain and Rage is about weakness and strength, the strength that you can find hidden in your weakness, self love and self respect. If you don't want to change for yourself, the least you can do is change for the person you want to be. You don't need anyone to validate your worth, if you do, your worth will become worthless.
