France, 1685. Catherine Gillet knows her brother, Jules, wants to protect her from the sinister threats of the French crown. But Jules is involved in a potentially deadly enterprise, one connected with an encoded document. When his actions put the whole family at risk, will Catherine find a way to save them?

Virginia, present day. Renee Talbot, a direct descendant of Catherine's, is fascinated by the document that's been part of her family legacy for more than three centuries. Certain its pages hold hidden secrets, she takes a closer look—and makes a shocking discovery. But when memories of a childhood trauma are rekindled, she's forced to seek answers of a different kind. Inspired by the faith and bravery of Catherine, can Renee find the truth and face her deepest fears at last?

From the authors of the Christy Award–winning *The Amish Midwife* comes an epic story of two women, centuries apart, each discovering her own hidden bravery, standing for what she believes in, and finding love in unexpected places.
