Palabras: Una breve historia de los que se van (Spanish Edition) Lorena Franco

Una breve historia de los que se van. Un juego de palabras que se convierte en una adicción. PALABRAS no es una historia de amor. Es una historia de desamor. Cuando Emma cree tener la vida perfecta que desde siempre soñó, Diego, el amor de su vida con el que está a punto de casarse, la deja por otra. Hace las maletas y simplemente se va, como si los sentimientos de Emma no valieran nada. Meses más tarde y aún destrozada sin poder ver una salida a su profunda tristeza, Emma decide acudir a la consulta de Silvia, una psicóloga con muy buena fama en Barcelona y con unos métodos muy distintos a los habituales. Nuestra protagonista necesita volver a vivir y sobre todo, volver a confiar en si misma. Silvia le propone a Emma un juego de nueve palabras. Cada palabra, formará parte de la historia entre Emma y Diego. Cada palabra, hará que Emma, abra los ojos y entienda que su relación, no era el cuento de hadas que creía, ni Diego el hombre perfecto que veía. Cada una de esas NUEVE palabras, serán clave, para que Emma vea que hay vida más allá de una ruptura y que el destino nos puede llegar a sorprender mucho... Una novela íntima, tierna y muy especial. Otro regalo para el alma que nos ofrece su autora, con esta novela romántica contemporánea, tras el éxito de su antecesora, QUÉDATE CONMIGO, de similar estilo narrativo.
