This Picture Books is the ‘Bible’ of pacifier weaning!

~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ * ~ *

FINALLY, an amusing children's book for ages 3 5 6

that focuses on pacifier weaning

from the viewpoint of a child!

And so, in an enjoyable and enlightening way
this story ‘takes the air out of the pressure cooker’
and helps kids to release their pacifier habits.

In our story Truthy Ruthy, a witty and opinionated girl,
was in love with her pacifier. Then suddenly,
oops... what happened?

This amusing interactive book doesn’t only suggest
one ending,
nor two;
=====
it suggests three endings!
=====

Ending One - The pacifier decides it’s time to move on... Where to? Read on!

Ending Two - Ruthy decides to kick the pacifier habit. How? Read on!

Ending Three - Ruthy decides to never give up her pacifier... very funny!

Yes! This amusing interactive book allows children to choose their favorite ending!

Like all the kids books in the Truthy Ruthy series, this book educates kids by offering them opportunities to

experience different scenarios, as opposed to preaching to them and expecting them to understand. It's a must for all children, parents, preschool teachers and coaches.

'Time To Say Goodbye' is not only an entertaining children's book with three amusing endings, it is also a helpful guide for parents who are dealing with the common challenge of pacifier weaning. Without telling the children what to do, it rather gives them the tools to decide by themselves.

Talking about parents... my dear parents, the third ending is dedicated with love to... you (ha... ha... ha...)! Just to remind you not to worry; I've never met a Grandma or Grandpa with a pacifier! What's important is the method of weaning, and the lesson that your child will take with them to face their next challenge, and the next... and the next... and the next.

Families can:

- Read all of the endings in one reading and choose their favorite.

- Read a different ending each night.

- Continue beyond the given endings and create their own,

until their children decide to give up their pacifiers.
