## **PTSD Heroes Odyssey: Love Is The Door Way Into Our Mind, Body, Heart, and Soul; And Into Heaven** James John Prattas

This is one of the most healing and incredible PTSD stories anyone in the world will ever read. I wrote this PTSD Heroes Odyssey for all veterans from all countries who have experienced war. Including our loved ones, women and children who have been abused when they were innocent living their life when not knowing what PTSD is! War is going to Hell and Back! Life can be too when there is no love. It is difficult to describe in words all the pain and suffering we humans experience from war, life and abuse. Even political abuse. This is a great Odyssey for Healing ourselves through story telling. Magic happens within this Odyssey. You will laugh again! You will be happy again. This Odyssey is also Poetry. I have written this story in simple American English so that anyone in the world who can read a little English will be able understand our odyssey. Thank You for reading my book. James John Prattas
