This book covers the entire cycle of becoming a successful real estate property manager. Written in an accessible format, this book provides valuable information for investors who are now landlords and property managers. This book is not about the day-to-day of landlording, rather it focuses on the strategies for managing the assets of your property. Readers will find information on:

? The benefits of managing property

? Assembling your core team (attorneys, accountants and insurers)

? Legal documents

? And office help (including the right systems and software, how and when to maintain and repair, and the finances of managing your properties)
