Warlock for Hire: Arcane Inc. Book 1 (Volume 1) Sean Stone

Meet Eddie Lancaster. He's annoying, rude and just a little bit sinister. He's also a warlock. Not just any warlock. He's a warlock for hire. Need magical assistance? He's your guy. Whatever you need: spell, cures or potion, he can provide. Eddie's life takes a bit of a turn when he meets Ashley Sheridan. She hires him to help her against a powerful seer who is threatening her family. He agrees to help but not in the way she wants. He quickly lands himself in dangerous waters and those he cares about are put at risk too. The deeper he gets the more he wants to put an end to the psychic's machinations. But how do you beat a man who sees every move you make before you've even decided to make it?
